

An abstract graphic on the left side of the slide, consisting of a network of thin, light-blue lines and small circles, resembling a circuit board or a neural network diagram. The lines are vertical and horizontal, with some diagonal connections, and the circles are placed at various points along these lines.

WEEK 16

READ 180

AGENDA

- Trashketball Vocab Review
- Start project: Interview Questions...You **MUST** finish these today, we are interviewing the engineering students **TOMORROW**.
- Plan out podcast

WACKY WEDNESDAY

- Answer the following in three complete sentences:
 1. Describe how you will conduct a professional interview today. What steps will you take?

**If you are NOT the interviewer, describe how you will support your team during the interview.

ENGINEERING COLLABORATION

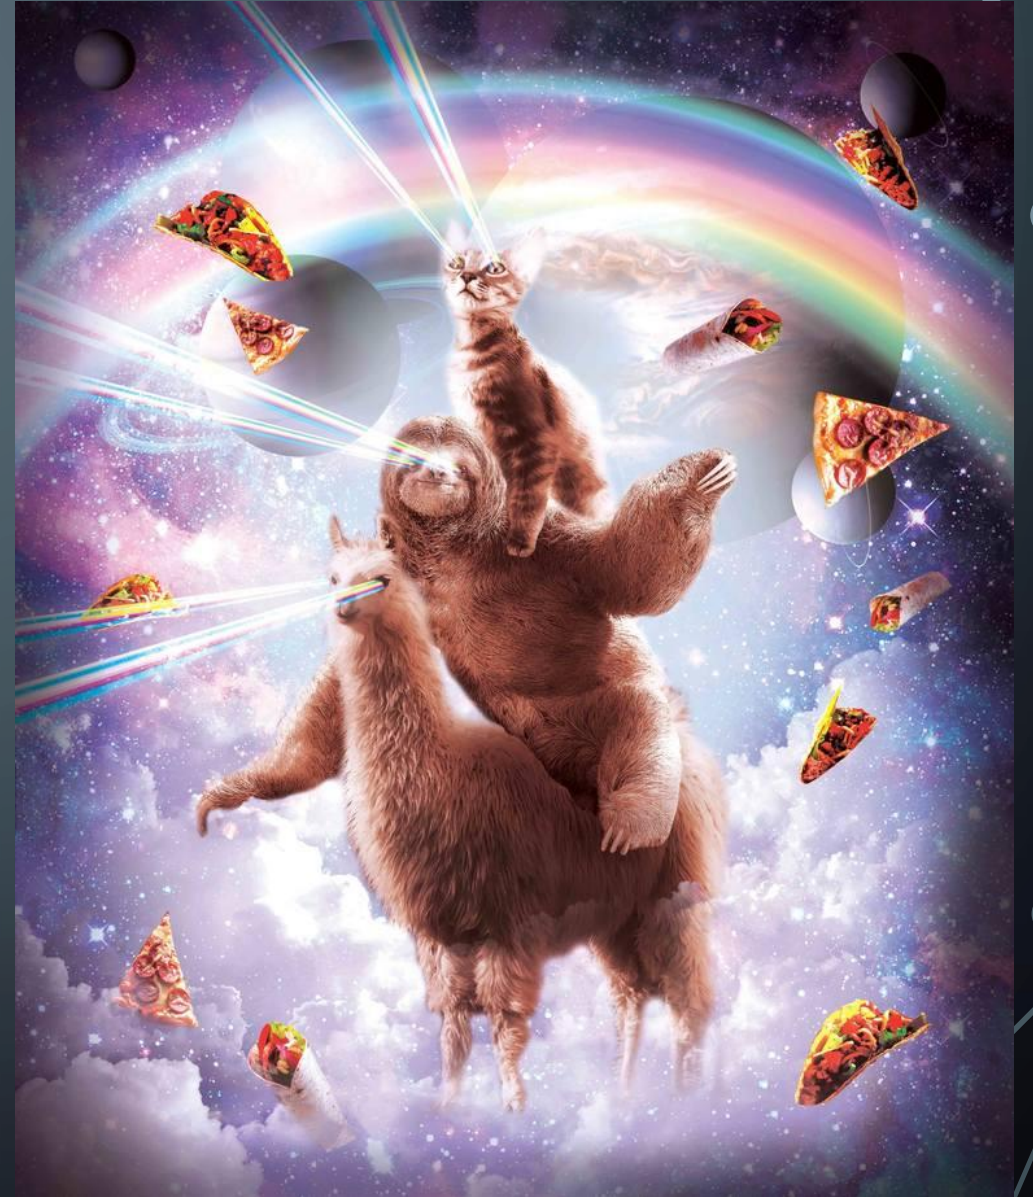

- **2nd block:** I've given your questions to the engineering students. Your job is to “role play” and record the interview questions and answers.
- **3rd & 4th:**
 - We will go down to LL4 together to record your interviews.
 - Do not forget to take pictures/video of the final product, the interview, etc.
 - Come see me if your group does not have a device to record on.

ENGINEERING COLLABORATION - TIPS

- Shake hands with the student you are interviewing and introduce yourself.
- Be sure to write down their name and grade-level somewhere on your packet.
- RELAX: Be confident. Keep in mind this is just another student like you!
- If an appropriate question pops up in your mind, ask it! It's OKAY to have more than five questions.
- **BE PROFESSIONAL: Remember that you are representing yourself, our class, and ME! If you do not conduct yourself in a professional manner you will receive a low score and a phone call home. YOU ARE BEING GRADED ON YOUR PROFESSIONAL COMMUNICATION SKILLS!**

VOCABULARY QUIZ

- 5 minutes to study
- Silence, phones away...during & after
- Transition into independent reading after
